

Welcome to our weekly delivery listing! Thank you for your support!

If you order by 10am on Friday I will deliver on that Friday afternoon/evening to any Birmingham postcode

How it works:

1) Email people@cherryreds.com with your order, delivery address and phone number. It's literally me in my van, so any instructions helpful, I'll need to be able to park right outside. If you're in a flat please come down to meet me!

Free delivery over £25, under £25 is a £5 charge, collection free

2) I will call you on Friday lunchtime to discuss anything we've run out of that you may wish to swap. If you won't be able to take a call at that time I'm afraid I won't be able to deliver

3) I will take card payment over the phone and arrange delivery time on Friday afternoon or evening before 9pm (or you can collect Fri or Saturday 10am-10pm)

4) enjoy your purchases with the warm fuzzy feeling you have helped out a local business!

If you order a second week on the bounce you will get a FREE 4 pack of vedett blonde lager!

Much love, Jen x
