

**Welcome to our weekly delivery listing! Thank you for your support!**

If you order by 3pm on Friday I will deliver that evening to any Birmingham postcode

I can also deliver on different days if needed by request

How it works:

1) Email [people@cherryreds.com](mailto:people@cherryreds.com) with your order, delivery address and phone number. It's me in my van, so any instructions helpful :)

**Free delivery over £25, under £25 is a £5 charge, collection free**

2) I will call you on Friday lunchtime to discuss anything we've run out of that you may wish to swap. If you won't be able to take a call at that time I'm afraid I won't be able to deliver that day, but feel free to request an alternative

3) I will take card payment over the phone and arrange delivery time on Friday afternoon

4) enjoy your purchases with the warm fuzzy feeling you have helped out a local business!

**If you order a second week on the bounce you will get a FREE 4 pack of vedett blonde lager!**

Much love, Jen x
